Hello everyone,

Just a quick update for everyone...

As restrictions are slowly being lifted around the Covid – 19 Pandemic and business are getting somewhat back to normal, we are optimistic that there will be a 2020/2021 curling season here at Inglewood.

Once we have confirmation from the Federal, Provincial, Municipal Governments and Alberta Health Services we will communicate what the reopening will look like.

We are in the early planning stages for the start of the 2020/2021 curling season and Inglewood's Curling Committee and Management are meeting regularly reviewing different scenarios and options.

Curling Canada will be communicating with all the Provinces on the "Return to Play" guidelines for players, administrators, coaches and volunteers that will help each club prepare for the new season.

Curling Alberta has some great information on their website, www.curlingalberta.ca.

Stay safe and healthy!
